

# Colmore Partners is a Great Place to Work®

27th October 2023

Colmore Partners has been named as one of the UK's best employers by the global authority on workplace culture and employee experience.

We have been certified as Great Place to Work® 2023, in recognition of our amazing company culture, with 92% of our employees saying that when you join Colmore Partners, you are made to feel welcome.

Great Place to Work® has been listening to employee voices for over 40 years to determine what makes a truly great place to work.

The Trust Index Survey™, administered by the Great Place to Work Institute, assesses responses to research-backed and anonymous employee experience surveys in key areas, against a thorough and rigorous criteria.

Its findings commended Colmore Partners for the strength of our internal communication, integrity and the behaviour of our leadership team, as well as the pride our employees expressed in working for the company.

Simon Hault, Director and Head of Proposition at Colmore Partners, said: "We are extremely proud to have been certified as a Great Place to Work® 2023. This is a prestigious accolade which demonstrates that we have a great company culture and put our people first.

"We are committed to providing a caring and supportive working environment, where we listen to and invest in the ongoing training and development of every single employee."

Earlier this year, Colmore Partners was named ['Best Adviser' in the Midlands at the Citywire New Model Adviser awards](#). The award provides further credibility that we are one of the leaders in our field and supports that Colmore Partners is doing things properly.
